Introducing ASI JD MacDONALD's Turbo-Chic high-speed hand dryer. At only 100mm deep the Turbo-Chic is a stylish and compact solution for high-traffic environments. The dryer is automatically activated and has a fast dry time of approx. 15 seconds and includes a carbon filter for prolonged motor life. In addition, the dryer provides operating flexibility – the owner controls air temperature as well as air speed to suit their needs. Available in Matte Black or Satin Stainless Steel.
