Visit www.polytec.com.au for specific care and cleaning information. Darker colours will show superficial wear and tear more readily than lighter coloured surfaces and require more care and maintenance.

The colours and details shown in this brochure are to the highest standards in printing. However, they should only be used as an indication of actual product colour. To order your free colour sample visit www.polytec.com.au

The use of our current colour samples gives the colour and finish that a customer would expect to receive. polytec does not guarantee exact colour matches across product ranges due to colour variation in each product group.

polytec offer an express sample service.
