3x Magnifying Mirror

R60020

R60008

R50001

Experience a clearer, brighter reflection while enjoying the illuminated mirror's modern design and cleverly integrated features.

The innovative illuminated mirrors incorporate a digital clock, steam demister and bluetooth speaker, offering you modern conveniences at the touch of a fingertip. The mirror's in-built features are simply operated through a user-friendly touch sensor switch. Project style beyond the bathroom by using an illuminated in the bedroom, bathroom or entrance of your home.

With many shapes and sizes to choose from, you can now easily modernize your home. Remer's Illuminated mirrors are an environmentally safe and energy efficient option to bring a touch of luxury into your home today.
