HiLight® ThreeBar is an ideal low profile option when stair manufacture allows for recessing of the stair treads. The sleek design and excellent safety rating of the HiLight® ThreeBar provides seamless integration with its environment.

When the aesthetic demands clean lines and crisp design - HiLight® ThreeBar is the perfect solution.

Available with P5 rated grey, black or safety yellow carborundum inserts, the HiLight® ThreeBar provides maximum safety in a minimal design.

Recessed into the stair tread, and fixed by adhesive or concealed screws, HiLight® ThreeBar is NCC compliant and meets AS1428 luminance requirements.

Manufactured from 5mm hard tempered anodized aluminium, it's perfect for areas with high foot traffic without compromising on aesthetics.
