

Duraclean[®] Entrance Matting

Ideal for large, high traffic areas, Duraclean[®] Matting is manufactured durable polypropylene that will not rot, fade or stain. Designed to be installed into a recess or loose laid, Duraclean[®] provides excellent dirt and water retention.

Duraclean[®] Entrance Matting is designed to be installed into an inlay or recess and is available in 2.0m or 4.0m wide variants. This great matting is perfect for large entrance areas in shopping centres, lobbies, apartments and offices.

Economically priced, it provides a durable option for either loose lay applications or for use in a recess.

The Berber style needlepunch carpet surface of Duraclean[®] provides great wear characteristics with an attractive appearance. Helps to maintain a clean, good looking entrance for years to come.
