

# Entrymaster® Premier Matting

The ultimate heavy duty entrance matting, Entrymaster® Premier provides excellent cleaning and a long life expectancy. In even the highest traffic areas, Entrymaster® Premier will prevent all types of dirt and moisture from entering.

Entrymaster® Premier features a 36 ounce Heavy Duty multi-denier polypropylene yarn system. This is the heaviest fibre available in this product category.

Entrymaster® Premier entrance matting is manufactured with a rubber-reinforced profile. This profile prevents crushing of the unique dirt entrapment system, ensuring performance in even the highest traffic areas.

Entrymaster® Premier is designed to be installed into recesses and large inlay areas.

## KEY FEATURES

- Ideal for high traffic entrance areas, both indoors and out
- Reinforced chevron pattern provides mega scraping action
- Heavy duty polypropylene yarn
- Excellent dirt and water retention, and easily cleaned
- Smooth rubber backing, ideal for hard surfaces
