Lockable Pedestrian Barriers **FOR HIRE**

- Lockable, portable, crowd control barriers for hire/rent by ATDC.
- Available immediately for urgent lock up!
- 2m high, unlimited widths.
- Perfect to secure any area needing a versatile, cost-effective, short-term fence hire lock up solution.
- Used to secure temporary tenancies, kiosks, pop-up shops, mall walkways, loading docks, construction areas, entertainment venues
- Minimal administrative paperwork!
- OH +S tested and compliant for safe and easy operation for both your staff and customers.
- Also available for outright purchase.
- ATDC deliver and collect the barriers to/from your premises.

Keep your premises locked and secured urgently by Australia's market leader while you are waiting for your current overhead door to be repaired or replaced and to avoid all those unnecessary costs in engaging manned security guards whilst you wait.

Call us now from anywhere in Australia on our toll-free number 1800 657 435 so that we can urgently service your immediate lock up requirements.
